### We work together collaboratively

#### We are **curious** and **ask questions**

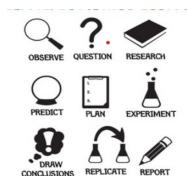

# We confidently use scientific vocabulary

### We <u>explore</u> and <u>discover</u>

### We use scientific <u>enquiry skills</u>

We use a range of **<u>resources</u>** 

#### We investigate through <u>hands on experiences</u>

Science at Dilkes Academy will be engaging and exciting to elicit children's curiosity about the world around them. Children will be confident to work scientifically to enable them to make links to real life concepts.

## We **recall prior knowledge**
