Dear Parents/Carers,

We would like to inform you that consent must be provided via the Arbor app for your child to attend this event.

Year 5 E-Safety Event: Walk Online Roadshow at Civic Hall – Wednesday 20th November 2024

The Thurrock Local Safeguarding Children's Partnership has arranged for our Year 5 pupils to attend an important event on online safety at the Civic Hall, Blackshots. This event, led by the Essex Police Online Investigation Team, aims to raise awareness of both the benefits and risks associated with today's rapidly evolving technology.

The programme will cover a variety of key topics including internet safety, the risks of online bullying (both real and virtual), and other safeguarding messages. Some content may include real-life examples from cases investigated by the Essex Police. If you have any concerns regarding the material that will be discussed, please do not hesitate to contact the Thurrock Local Safeguarding Partnership at lscp@thurrock.gov.uk or on 01375 652813.

To help cover the costs of the visit, we kindly request a voluntary contribution of £2.50 per pupil. Payments can be made via the Arbor app under the 'Trips' section.

The coach will depart from the school at 12:15 pm and will return in time for the end of the school day. Students are required to wear their regular school uniform.

Thank you for your support in helping us provide this valuable learning experience for your child.

Yours sincerely,

Mr R. Latham

Headteacher
