14th November 2024

Dear Parents/Carers,

Competition Time! Become a Micro:Bit Inventor

As part of our Computing Curriculum Year 4 and 6 pupils learn how to code a Micro:bit. To showcase our pupil's knowledge, we will be taking part in the BBC Gladiators Micro:bit competition. To enter pupils, need to design a fitness gadget to help the Gladiators Phantom and Dynamite to be their best. The winning school will receive a visit from the Gladiators along as well as their design brought to life by the BBC Micro:bit Team as well as £500 of vouchers to spend on Computing equipment for their school.

If your child would like to enter, they will need:

- A great idea for a performance training gadget
- A drawing of what it will look like
- An explanation of how it works

Please can all entries be completed on the attached entry form and handed into your class teacher by **Monday 2nd December**. These will then be passed onto Miss Sussex for submission.

If you have any questions, please do not hesitate to contact me!

Many thanks and good luck!

Yours Sincerely,

Miss Sussex
Year 2 Lead Teacher and Computing Lead
