

July 2023

Dear children, parents and carers,

For those who have not met me before, I'm Miss Gospodinova and I am going to be your (child's) teacher next year. Excited to get started, I really hope you are also looking forward to Year Six and its challenges and potential for growth and progress.

We've got a variety of new and exciting adventures this year, hopefully including trips (such as the Ragged School Museum and the RAF museum) and working towards our SATs. We've also got lots of fascinating topics to learn about, such as The Tudors, Victorians and WWII, Mexico, evolution and adaptation, the circulatory system etc.

This will be my thirteenth year at Dilkes Academy and I am thrilled to be working with you all. I'm sure you will have a fantastic time in Year 6; if you do have any problems, remember you can always come and talk to me or the other Year 6 staff at any time.

As I have not taught your year group before, I've added some images to the letter to give you an idea of what some of my interests are. Over the summer holidays, I will spend days out exploring, travelling abroad, running and reading lots. Regularly reading keeps my imagination constantly whirring. Some of my favourite books are The Hunger Games (one of our reading books in Year 6) as well as A Wizard of Earthsea, which the idea of a school for wizards J.K. Rowling took inspiration from for the Harry Potter series. I wonder what you like to read.

I know we are going to have a brilliant year together. I hope you have a great summer holiday and that you come back refreshed and ready to learn and work together. Be safe, have a glorious summer and see you in September.

Best wishes,
Miss Gospodinova
