

Learning Quote

"The more that you read, the more things you'll know. The more that you learn, the more places you'll go - Dr. Seuss.

All about me:

I have dreamt about being a teacher since I was in primary school, after my teachers inspired me. This is why I always try to make the lessons fun and engaging, letting you put the learning into your own hands. I love helping other people and making people smile!

I enjoy reading as it lets my imagination run wild, creating pictures in my head. I always start the day with music because it helps keep me active, happy, and feeling positive, motivating us for the day ahead. I also love trying new things!

One of the most important things to me is my crazy, little dog called Angel. She is a French bulldog, who loves cheeseburgers! Every day, I enjoy a morning or evening walk with her so we both get some exercise to help keep us healthy.

I am very excited to have you in my class this year, getting to know all about you and your favourite things. We will learn so much together! It's not that you can't do it, it's you can't do it yet!

These are some of my favourite things

My favourite colour is blue like the sky. My favourite things to watch are Disney movies, especially ones that have amazing music to it! My favourite animal is the wolf because I think they are beautiful, majestic creatures. My favourite thing to do is spend time with my family, creating memories with them.

Meet the TEACHER

Miss Griggs

Welcome

Welcome to year 3! I look forward to teaching you next year and helping you learn and develop further in your education. We will learn lots of interesting and amazing things, especially in science where you will be investigating scientific ideas yourself!
