

Hello 5CB!

I'm Miss Bush, I will be one of your Year 5 teachers in September along with Miss Conway. I am very excited to get to know you all and have the best year together. You will be my first class to teach and I cannot wait to spend the year with you all.

Over the year, we will cover some interesting topics that I know you will all enjoy learning about. Some of my favourites will be: animal Lifecycles and Earth and space in science, birds and feathers in art and making spaghetti bolognese in DT. Our English lessons will also allow us to work on some really wonderful stories such as: Harry Potter, Alma and Holes, and we will be able to work on a variety of writing styles that I know you'll really enjoy.

I am sure we will all get to know each other very well over the year, but to start off, here are a few things about me. Much like Miss Conway, I love my dogs; I have two staffs who I will be able to tell you all about and would love to hear if you have any of your own pets. I enjoy travelling and seeing different cultures around the world, especially in the summertime. However, the best season for me is winter as I love Christmas time! There is nothing better than having decorations up and singing Christmas songs with all your family and friends.

Have the best summer holidays and make sure you have lots of fun; myself and Miss Conway will be looking forward to seeing you all back in September!
