Dear Parents/Carers,

### Reading Workshop: Live Classroom Visits

Building on the success of previous years, we are excited to invite parents and carers of pupils in Years 2-6 to participate in a live reading lesson with your child. Please see the date and time below for your scheduled visit. This session will focus on whole-class reading and reading comprehension, with an emphasis on how you can support your child's reading at home. We will delve into the various strands of comprehension during this lesson.

Our live classroom visits will begin at 12:45 PM with an introductory presentation from our teaching staff. Following this, you will join your child and their reading teacher in the classroom, where the lesson will concentrate on exploring comprehension strategies.

The lesson will conclude at 1:35 PM, after which the children will return to their regular schedule, and you will have the opportunity to ask any questions you may have.
