

MEET THE TEACHER

About Me

Hello! I am Miss Handley and I will be your child's EYFS teacher! I have been teaching for over 5 years and have also taught in Romania and Italy!

My Favourite Things

When I'm not teaching, I love putting a scented candle on, listening to and watching musical theatre, reading books and eating chocolate!!

Communication

The transition into full time education can be a big change for both children and parents so please feel free to always reach out to me if you need anything!

Reception is going to be so much fun!

We love to focus all our learning around play and the children will enjoy a creative and interactive learning experience! All of us in the EYFS team can't wait to get started!
