

Meet The Teacher 😊

Hi Year 1! My name is Miss Chapman and I am overjoyed to be your new teacher next year! This is my first year of teaching and I am very excited to embark on this wonderful adventure with all of you. I have a lot of experience teaching all year groups and I feel that this year group is perfect for me.

Let me share some things about myself- I absolutely love the colour pink as it is my favourite colour and I have loved performing to an audience since I was little! Did you know that I actually won a singing competition when I was 7 singing 'I'm a Barbie girl'! I have also played various characters ranging from a maid to a raven and I love anything to do with music, singing and dancing as I went to three performing art schools (Italia Conti, Theatre Street and Gillham) Feel free to ask me some questions about different performances I did as I would

love to share more of these amazing memories with you.

Before being a teaching assistant and becoming a qualified teacher, I was doing my Drama A-levels and a Drama BA Hons degree. One of my favourite characters I played was a China doll with bright, rosy red cheeks and I wore a blue Alice in Wonderland dress. The biggest challenge was maintaining the same surprised facial expression and adopting a robotic movement for a long period of time.

In addition, I have two kittens that look like Yin and Yang! The white one is called Billie and she is my princess and the black one is called Benji and he reminds of a baby black panther. I adore them, so you will hear me talking about my kittens a lot.

😊 I like to watch movies in my spare time (especially chick flicks!) and I enjoy fitness and listening to music so we may be singing some songs together!

This year is going to be a year to remember and we are going to have the best time together! Enjoy your summer break, have a nice rest and prepare for a year full of lots of magical adventures.

See you soon Yr. 1,

Miss Chapman.
