

Dear children,

I am so excited to be your teacher in Year 3. My name is Mrs Kempster - this is my sixth year at Dilkes and I'm looking forward to embark on this learning journey together.

It is going to be a fun year, full of lots of learning and new adventures. In Year 3, you will be learning lots of fascinating things; in History about Stone Age and Egypt, in Science about rocks and fossils, and in Geography about Kenya and volcanoes! Also, I will get to teach you French - *comme c'est excitant!*

***Do you want to find more about me?***

I have 3 children, Elias, George and Gillian. They all love Dilkes Academy! I enjoy spending time with my husband and children, travelling and reading books! In my free time, I love visiting museums and art galleries. My favourite city is Rome!

I am looking forward to meeting you in September and to find out more about you all.

Have a lovely summer holiday!
