

Hello 4B

I'm Miss Bush and I will be your Year 4 teacher in September. I am very excited to get to know you all and to have the best year together. I worked alongside Miss Conway in Year 5 and Miss Mathers in Year 4 this year, but you will be my first class and I cannot wait to spend the year with you all.

Over the year, we will cover some interesting topics that I know you will all enjoy learning about. Some of my favourites will be learning about Spain and the Ancient Greeks in humanities, making masks in art and our electricity topic in science. Our English lessons will also allow us to work on some wonderful stories where we will be able to develop a variety of writing styles.

I am sure we will all get to know each other very well over the year, but to start, here are a few things about me. I love my dogs – they are my babies. I have two staffs who I will be able to tell you all about, and I would love to hear if you have any of your own pets. I enjoy travelling and seeing different cultures around the world,

especially in the summertime. However, the best season for me is winter as I love Christmas time! There is nothing better than having decorations up and singing Christmas songs with all your family and friends.

Have the best summer holidays and make sure you have lots of fun. I will be looking forward to seeing you all back in September!
