

## Meet The Teacher 😊

Dear 4E,

My name is Miss Earnshaw, and I am thrilled to be your teacher for the upcoming year! Many of you may already know me from my time as your teaching assistant in Reception or as your choir instructor last term. I'm looking forward to having you all in my class full-time this year and can't wait for the exciting journey ahead!

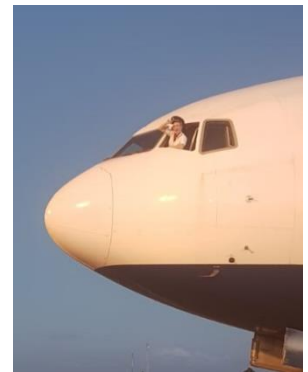

I have been a part of Dilkes Academy for nearly four wonderful years. My journey began in Reception, and I quickly transitioned to teaching in Year 1. After a brief period in Year 5, I have spent the past two years teaching in Year 4.

Let me tell you a little bit about myself - I absolutely love all things to do with nature (that's me in the picture walking with an elephant in Thailand) - especially, interesting facts about animals and plants. If you have any interesting animal facts, bring them my way as I am all for it. I absolutely love David Attenborough

so do not be surprised if I end up talking about him - a lot! My favourite animal is the chimpanzee. Did you know that chimpanzees represent one of our closest living relatives, sharing 98% of our DNA?

Before teaching, I used to work in the sky, as cabin crew. This allowed me to see every part of the world and I was able to experience different cultures and see lots of amazing animals. One of my favourite subjects is geography, and I can't wait to share my exciting travel experiences with you.

I also have 2 dogs. Coco is the silver girl and Ernie (named after my name Earnshaw) is the white boy! I absolutely love them, so you will hear a lot about these in year 4 😊.

Movies are my favourite things to watch in my spare time, especially fantasy. I am really into fitness and I love running, so I hope you do not mind if I get you all up moving in the classroom!

This year is going to be super fun - we are going to have the best time learning new things together!

See you soon 4E,  
Miss Earnshaw
