

Hello, 6P! 😊

As you may or may not know, I'm Miss Peetoom – the very lucky lady who gets to be your Year 6 teacher! I am so unbelievably excited to be spending your last year of primary school with you all and I look forward to meeting you all properly.

So, a little about me...

I'm a real bookworm! I have a rather large book collection at home. *Goodnight Mister*

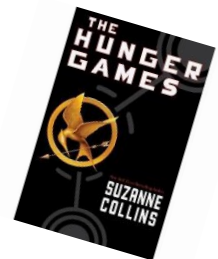

Tom was one of my favourite books growing up and is one that we will be reading together this year, which I am very much looking forward

to! As well as this, I love keeping fit by running and dancing. Oh, and I love anything that involves a musical!

If you thought the topics in Year 5 were fun, just wait until you hear about all of the amazing things we will be learning about in Year 6! Our fantastic topics include the Tudors, the Victorians and the Second World War in history. In science, we will be learning all about evolution and the circulatory system and in art, we will create our own mosaics and explore Pop Art! To make it even more exciting, we will also be looking at an

exciting array of stories such as *The Hunger Games*, *Romeo and Juliet* and *Private Peaceful*.

I very much look forward to having a fabulous year with you all in Year 6. I hope you all enjoy your well-deserved break over the summer holidays and I look forward to welcoming you all back in September for your final year at Dilkes Academy!
