### Help Our School Win with Tesco Tokens!

Dear Parents/Carers,

We have an exciting opportunity to make a real difference in our school, and we need your support! From the first week of April until the end of June 2025, we are participating in the **Tesco Community Grants scheme**. By simply collecting and using **Tesco blue tokens**, you can help us secure **first place** and raise the necessary funds to create a **sensory garden and growing area** for our students.

This initiative will provide a calm, inclusive, and engaging space for children to explore nature, develop new skills, and support their well-being. But to make this vision a reality, we need as many votes as possible!

#### How You Can Help:

- When shopping at Tesco, **collect a blue token** after making a purchase (no minimum spend required).
- **Vote for our school** by placing your token in our designated collection area at any of the participating Tesco stores listed below.
- **Spread the word!** Share this campaign with family, friends, and your wider community.

#### Where to Vote:

You can find our voting stations at these Tesco stores:

Thank you in advance for your generosity and participation – let's work together to make this happen!
