Friday 17th January 2025

Dear Parents and Carers,

France Enrichment Day

To support the Year 1 humanities topic 'France', the Year 1 teachers have arranged an enrichment day to help bring this topic to life and consolidate their learning over the half term. This creative day will be on Thursday 13th February.

On the day, your child will be given a hands-on experience with a range of experiences such as learning some French, tasting food and creating a model of some famous French landmarks. Children are invited to wear red, blue or white, alternatively they could dress as something that is famously French on this day to help them fully immerse into the experience. Please ensure that your child will be warm enough for the school day.

We hope you will support us in making this a memorable day for your child.

Kind regards,

The Year 1 Team

Mrs Nelder-Marsh, Miss Thirkell and Mrs Dacey
