Dear Parent/Carer,

### Maths Workshop

We are excited to invite you to join your child for their maths lesson. This session offers a valuable opportunity to learn about how maths is taught across the school, the year group expectations for maths, and how your child's progress will be assessed. Additionally, we will discuss practical ways to support your child's mathematical development at home.

The morning will begin in the school hall with an introductory presentation by our teaching staff. Following this, you will accompany your child and their maths teacher to their classroom to observe and engage in the lesson.

After the lesson, children will resume their normal timetable, and you will have an opportunity to ask any questions you may have.

#### Session Schedule:

- **Friday 10th January 2025:** Reception at 9:00 am
- **Monday 13th January 2025:** Y6 at 9:00 am, Y5 at 11:00 am
