9th October 2023

Dear Parent/Carer,

I am writing to you to clarify the school’s approach to the misuse of social media. With an increasing number of pupils having access to technology, issues with requesting staff members as friends has increased. We kindly ask that pupils are spoken to about appropriate use of technology and to not request members of staff on any social media platform. Staff will block accounts if requested to safeguard both pupils and themselves.

Whilst we educate pupils in all year groups as part of our computing curriculum, with online safety, there is a responsibility for parents to monitor their child’s use of social media, or indeed the internet in general. We strongly encourage you to discuss issues around this with your child. It is also worth noting the age limits for Facebook, Instagram, WhatsApp, Snapchat and TikTok, further information regarding these can be found at [Social media | NSPCC](#)

Yours sincerely,

Mr R. Latham

Headteacher
