Year 5 – Astronomy Roadshow

Dear Parent/Carer,

To support the Year 5 science topic ‘Space’ we are excited to announce that we have organised an Astronomy Roadshow for the children.

The children will have the opportunity to visit a large mobile planetarium at Somersheath Primary School on Tuesday 19th September. The children will be making the short walk to Somersheath on the day and timings of the workshop will be confirmed in the new academic year.

In line with our Charging and Remissions Policy, the school asks for a voluntary contribution of £2 for each child to cover the costs of the Astronomy Roadshow visit and workshop. No pupil will be excluded from the activity or treated differently because their parents have not made a contribution. However, where there are not enough voluntary contributions to make the activity possible, and there is no way to make up the shortfall, then it will be cancelled. For all school trips/workshops, the school must pay the balance on booking, therefore all trips/workshops are non-refundable unless cancelled by the school. The cost of the Astronomy Roadshow is payable via the Arbor app. Payment is required by Friday 15th September 2023.

Yours Sincerely,

Mrs H Nye
 Deputy Headteacher
