Thursday 1st February 2024

Dear parents/carers,

Next term, the children will be studying the topic 'Living Things and Habitats' in Science. To support this, we are pleased to announce that we have arranged a trip to Call of the Wild Zoo on Wednesday 26th June.

As part of the trip, the children will take part in an education session, learning about animal habitats with hands on experiences. They will also spend the day exploring the zoo, listening to talks and visiting the walkthrough enclosures.

In line with our Charging and Remissions Policy, the school asks for a payment of **£17**. This payment will cover the cost of travel to and from Call of the Wild as well as entry to the zoo. No pupil will be excluded from the activity or treated differently because their parents have not contributed. However, due to the nature of this trip, without payments, the trip will be cancelled. For all school trips, the school must pay the balance on booking, therefore all trips/workshops are non-refundable unless cancelled by the school. To support payments, the school will set up a payment plan where parents may choose to pay the entire balance or pay in instalments. The balance must be paid by **Friday 24th May 2024**. The permission consent and the cost of the trip is payable via the Arbor app.

Further information regarding the trip will be shared nearer the time. We would like to take this opportunity to thank you for your support this academic year.

Many thanks,

The Year 2 Team
