Thursday 4th January 2024

Dear Parents/Carers,

After the success of our 'Careers Day' last year, we are excited to be able to host another inspiring day for our children this year on Friday 22nd March.

The aim of the day is to enthuse the children to learn about the career paths that are available to them and how the subjects that we study in school directly apply to the career paths that they may choose to follow.

We have some exciting volunteers from various industries booked to talk to the children, but we would also like your help too! Please email the school office at admin.da@catrust.org.uk if you think you could come into school to talk to the children about your job. I am looking for any job/career whatever the role is. The children are the future of the community and will ultimately be employed in a cross section of roles within it. There are a whole host of roles that require some knowledge of the subjects that we study at school. Ultimately, we want the children to start to see the value of their school work and how they can open doors to their chosen career path.

Yours sincerely,

Rhys Latham

Headteacher
