4th November 2025

Dear Parents/Carers,

I would like to take this opportunity to thank you for supporting your children in all the amazing Community Champions projects so far this year. We have been truly blown away by the effort which has been put into projects from children across the school.

In class, the children have listened to songs and stories reflecting the theme and have been learning about the contributions of celebrity advocates, whose work has focused on the theme of the month. It has given the pupils and staff opportunities to share stories, ideas and skills from our diverse community, which is something we truly cherish at Dilkes.

We will continue to share projects in our Newsletter throughout the school year. Many of the entries can also be found on our school Twitter page. Please take a moment to share these with your children.

Each month there will be an overall winner chosen from each year group. These children will attend a special tea party with a member of the senior leadership team, where they will be invited to play games with other winners from across the school and share their project with the Senior Leadership Team.

During the Winners Tea Party, there will be a selection of refreshments supplied. All known dietary requirements will be taken into account when providing refreshments for the children. To support us with organising these, if you do not wish for your child to attend the tea party, if selected as a winner, please let the school office know. We will announce the monthly winners to parents in the school newsletter.

If you have any questions relating to the project card, please do not hesitate to contact your child's class teacher, for further information.

Kind regards,

Miss E Buckton
Assistant Headteacher
