5th January 2026

Dear Parent/Carer,

To support the Year 1 humanities topic 'France' and as a way of providing your child with the best opportunity to find out about France, the Year 1 teachers have arranged an enrichment day to help bring this topic to life. This creative day will be on **Tuesday 10th February 2026**.

On the day, your child will be given a hands-on experience with a range of experiences such as learning some French, tasting food and creating models of some famous French landmarks. Children are invited to wear red, blue or white, alternatively they could dress as something that is famously French on this day to help them fully immerse into the experience. Please ensure that your child will be warm enough for the school day.

We hope you will support us in making this a memorable day for your child

Thank you for your continued support,

Miss Parkinson and Miss Thirkell
