Year 1 and EYFS "Let's go on holiday!" Enrichment Day – Friday 17th July 2026

Dear Parents/Carers,

This term in Year 1 our topic has been "Let's Go on Holiday!" and in Reception we have been looking at waters, beaches and seashores. We have been learning about different kinds of holidays around the world and as part of this unit, the history of the British seaside. To celebrate the end of the topic, we have organised an enrichment day full of fun activities to further immerse ourselves into this unit.

On **Friday 17th July 2026**, children can come into school dressed in seaside-themed clothes – sun hats, t-shirts, or anything that reminds them of a day at the beach (no swimsuits or flip flops needed!).

We will spend the day doing fun activities based on our seaside topic.

As part of the day, we are delighted to have organised a variety of activities from playing in the sand, creating beach artwork and even watching a punch and Judy styled show.

To help cover the cost of the day and activities taking place, we kindly ask for a **voluntary contribution of £3** per child. Contributions can be made via Arbor.

No pupil will be excluded from the activity or treated differently because their parents have not made a contribution. However, where there are not enough voluntary contributions to make the activity possible, and there is no way to make up the shortfall, then it will be cancelled. Payment is required by Friday 10th July 2026.

Thank you for your continued support in enriching our children's learning experiences.

We're looking forward to a fantastic day!

Warm regards,

Miss Parkinson, Miss Adams,
Year 1 and the Reception team.
