

Meet THE TEACHER WELCOME!

Miss Buckton

Assistant Headteacher

I am so lucky to be your year 5 teacher! There are lots of new things to discover and explore and I can't wait to get to know you all a little better and get started on our learning journey. I am very excited to have you in my class! And for us all to make wonderful new school memories together!

Welcome to 5B!

I love being a teacher because I get the chance to work with children who I believe are the most important people on our planet! I can still remember the fun and kindest teachers I had at school and they have inspired me to always try to make your lessons as fun, engaging and active as possible. We all learn best when we are happy and I always do everything I can to keep us all smiling in the classroom.

I enjoy music, dancing and getting creative as this helps me to express myself. It keeps my mind healthy and me smiling. At the end of every day, I really enjoy getting comfortable and reading a mystery or adventure story. I love books because I can get lost in other magical and fantastic worlds. At home, I enjoy reading to my daughter, who is just learning her first words!

My Favourites

My favourite colour is turquoise – a special type of blue. My favourite things to watch are Disney movies and musicals. My favourite animals are penguins and elephants because they always stick together and look after their friends and family. My favourite thing to do is spend time with my daughter, dancing and painting and exploring the outdoors.

One of the most important things to me is my family. My family is pretty big! I have 7 sisters and 2 brothers. We enjoy cooking together, walking together and exploring new places. We love teaching too; five of my sisters are also teachers! I am also a qualified sports coach and love shooting hoops on the basketball court when I get the chance.

LEARNING QUOTE

*"The moment you doubt whether you can fly, you cease forever to be able to do it."
- J.M. Barrie, Peter Pan*
