

Meet the Teacher

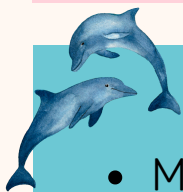

4S - Miss Smith

Hello Year 4, and welcome to 4S! I am very excited to be your teacher this year. Some of you may recognise me from around the school already. My name is Miss Smith and this will be my first year as a teacher and my first year at Dilkes!

I look forward to growing and learning together, and I hope you are too!

This is me when I was in Year 4!

Fun facts about me!

- My favourite animal is a dolphin.
- I love going on holiday and exploring the world.
- If I wasn't a teacher, I would want to be a professional ballet dancer - but now I just enjoy watching it at the theatre!

Year 4

I hope you're looking forward to learning about new things in Year 4, this includes:

- Learning about electricity, sound and states of matter, and understand the human body including digestion and teeth.
- Exploring important events and civilisations (e.g. Windrush, Ancient Greeks and Anglo-Saxons).
- Developing writing across narrative, non-fiction and poetry, using key texts such as The Miraculous Journey of Edward Tulane, Demon Dentist, The Chronicles of Narnia, Beowulf and The BFG.
