Dear Parents and Carers,

As we look ahead to another exciting term, we are pleased to share our latest Year Group Sways, which has been created by your child's teacher to provide key information about the term ahead.

The Sway contains important details to help you support your child's learning, including:

- PE days – so children can come to school in the correct kit on the appropriate days.
- Homework expectations – outlining what homework will be set and how you can support your child at home.
- Curriculum topics – a summary of the exciting learning, projects and experiences planned for the coming term across all subjects.
- Important dates, events and other useful class information.

We encourage all parents and carers to take a few minutes to read through the Sway with your child. It is a valuable way to stay informed about class routines, expectations and learning opportunities throughout the term.

You can access each year group Sway using the links below:
