Dear Parents/Carers,

Welcome back after a lovely Easter Break. We hope you all enjoyed your break and did lots of enjoyable things. The summer term is here already and we have a packed programme ahead of us. The summer programme has been sent out via Parentmail, and includes key events such as Sports Week and Nursery/Y6 Graduation.

I'm really pleased to share that work has finally begun on our new Multi Use Games Arena (MUGA). This exciting project will open many opportunities for both the school and the local community. For further updates please see our twitter page.

Later in the term, Mrs Nye has organised an action packed Festival of Science which will take place over Thursday 13th June and Friday 14th June. Running alongside this is a homework competition. Further details will be sent out soon, so watch this space. I would like to take this opportunity to thank a number of local companies for their donations towards prizes which include Adventure Island, PuttShack, Dominoes Pizza, East Anglian Railway Museum and a special mention to HW Wilsons who are paying for a class trip to the Science Museum in London.

Have a lovely weekend,
Mr R. Latham
Headteacher
